2023

OUR BIGGEST EVER ANNUAL GUIDE - 80 PAGES!!

Dave Copley, a Game Changer!

I'm writing this as Dave's wife/widow, and occasional Boatworld helper. Dave died on the 30th November 2022, at just 63 years of age, after a painful battle with advanced prostate cancer. We had a true Celebration of Life for him at a local crematorium which included music, readings and poetry from family and friends. Afterwards we had 'Dave Fest' at a local food venue. A beautiful send off for an amazing man who loved his music. He learned how to play guitar at the age of 60 – remarkable!

Boatworld was established over 60 years ago by Dave's Dad, Peter, and his Mum, Jill. Dave worked for his parents from school age, after a quick dabble at being a silversmith. Upon

Peter and Jill's retirement Dave and his brother, Steve, took over and put their own stamp on the business to include windsurfing, skateboarding, surf clothing etc and they introduced lots of other innovative ideas like scuba diving and this catalogue. Dave would scour the trade shows in the USA and Europe to bring back the best products to the UK market – always at an affordable price. Eventually Dave bought Steve out of the business and for the last 20 years Boatworld was Dave's baby. He has, with the

help of his business partner, Mike (Director), transformed Boatworld into a manufacturer of various boats, engines and equipment that all enable you guys to get on the water for

an affordable price. Dave was a truly hardworking man and everyone who knew him, loved him. He has an amazing sense of humour and great direction in the business. A true Ideas man. I don't know one person who worked for Dave who didn't genuinely like and admire him. He was THAT cool!

Dave's lifework was Boatworld, and it was his number one priority, after his family of course. Dave was a huge family man and would always encourage all of us to try out his new products before unleashing them on an unsuspecting public. He was a fabulous human in so many ways and was the original founder of this catalogue that you now hold in your hand (or are reading electronically). He was always looking for the next new thing that he could bring to you – the watersport enthusiast – and would lovingly entitle his new BEST thing 'Gamechanger'. So, as you browse through this catalogue, which Dave used to produce each year and has now been produced by one of his daughters, Nicola (Director), please remember Dave with love, fun and laughter. Nicola has changed the word 'Gamechanger' to

'Dave's Fave's' and the logo (and other artwork) has been created by Vix, Dave's eldest daughter and artist (@uneasyillustrator), so look out for this logo in the coming pages.

I can't finish this piece without doing what Dave would want me to do – remind you to pause before you pick up the phone to a big corporation to order your boat, engine or watersport equipment – please take on Dave's family values and get your stuff from Boatworld, a true family business. This will help all of us to grow Boatworld in Dave's memory.

Thank you for taking time to read this.

Jaqui xx

Compass 165 CC

Dealer enquiries welcome

The 165CC is a 16ft 5inch (4.98mts) centre console sports boat. Recommended engine range for this model is 60 – 115HP. The S4 method of construction is used making this boat virtually unsinkable with its crew on board. Like the whole range of Compass centre console boats, this boat has a deep freeboard making it feel secure and very capsize resistant. Self draining deck makes hosing down after your trip easy. This boat has a bimini option and can be fitted with a T Top Tower.

Equipped with a 115HP engine you can expect to get it up to a maximum design speed of 40knots (over 46mph). So this boat can really deliver on performance making it more than capable for watersports or fast cruising. Rated Class C up to 6 adults.

TECHNICAL INFORMATION

- Coloured hull finished in Gunmetal Grey c/w 165CC graphics in red and black
- Coloured centre console in Gunmetal Grey
- Tan coloured luxury upholstery
- O/a length 16ft 5inch (4.98mts), beam 6ft 11in (2.12mts), draught 1ft 1inch (0.32mts), weight 500kg (boat only)
- Class C vessel 6 adults
- Rated up to 115hp max
- Built in 86 litre fuel tank
- Max design speed 40 knots (46MPH)
- Self draining main deck
- Compass S4 construction unsinkable design

MECHANICAL AND ELECTRICAL

- Steering wheel fitted to centre console
- Spare engine transom plate for auxiliary outboard
- Fitted Compass 3 switch control panel on the centre console for navigation lights, bilge pump and steaming light
- Fitted 5 circuit fuse panel inside centre console
- Fitted battery isolation switch
- Navigation lights: 1 x pair at the bow and 1 x plugin detachable telescopic stern steaming light pole (stored in lid of rear bench seat locker)

SAFETY

- Fire extinguisher port in rear bench locker
- Fitted automatic bilge pump

DECK GEAR

- Flexible seating arrangements for up to 10 people made up by seating for 4 over bow lockers, seating for 3 over stern bench locker, seating for 2 at the helm, 1 at front of centre console
- 2 x built in deck drains equipped with stop cocks.
- 1 x anchor bow roller s/s
- 2 boarding steps in front of bow locker
- Centre console c/w smoke-tinted windscreen, s/s grab handle and storage tray
- 2 x built in s/s handrails by bow seats
- 2 x cupholders
- 4 x Deck cleats
- Full luxury upholstered seating and backrests finished in "tan"

- Onboard stowage consisting of 6 lockers: Anchor locker/2 x bow seat side lockers/ centre console locker/helm seat locker comes as an insulated self draining cool box/rear bench seat locker
- Anchor locker self draining and fitted with stainless steel tether ring for anchor line
- Catches/locks on all lockers
- Upholstered s/s back support across the stern bench seat
- Folding (hinged) s/s boarding ladder s/s, c/w upholstered leaning post back support, boarding grab handle and non-slip boarding platform
- Fitted 2 x transom bridle "D" rings
- Black rubbing strip fitted all around hull

Compass 150 CC

Dealer enquiries welcome

The 150CC is a 15ft centre console sports boat. Recommended engine range for this model is 30-60HP. As with all Compass boats construction is done using the S4 method, making this vessel virtually unsinkable with its crew onboard. It's deep freeboard also makes it feel secure and very capsize resistant. Self draining deck makes it easy to maintain and hose down after your trip out.

Equipped with a 60HP engine you can expect to get it up to 32knots. So like the 135CC, this is going to be economical to run while still packing in plenty of fun off the back of the boat or just letting you enjoy the ride. Rated Class C up to 5 adults lets you bring some friends along!

TECHNICAL INFORMATION

- Coloured hull finished in Aegean blue c/w 150CC graphics
- Luxury grade storm grey upholstery
- O/a length 15ft (4.57mts), beam 6ft 6in (1.97mts), draught 1ft (0.31mts), weight 350kg (boat only)
- Class C vessel 5 adults
- Rated up to 60hp max
- Max design speed 32 knots (37MPH)
- Self draining main deck
- Compass S4 construction unsinkable design

MECHANICAL AND ELECTRICAL

- Steering wheel fitted to centre console
- Spare engine transom plate for auxiliary outboard
- Fitted Compass 3 switch control panel on the centre console for navigation lights, bilge pump and steaming light
- Fitted 5 circuit fuse panel inside centre console
- Fitted battery isolation switch
- Navigation lights: 1 x pair at the bow and 1 x plugin detachable telescopic stern steaming light pole (stored in lid of rear bench seat locker)

SAFETY

- Fire extinguisher port in rear bench locker
- Fitted automatic bilge pump

DECK GEAR

- Flexible seating arrangements for up to 8 people made up by seating for 4 over bow lockers, seating for 3 over stern bench locker, seating for 1 at the helm, 1 at front of centre console
- 2 x built in deck drains c/w stopcocks make hosing down easy.
- 1 x anchor bow roller s/s
- 2 x steps in front of anchor locker
- Centre console c/w smoke-tinted windscreen, s/s grab handle and storage tray
- 2 x built in s/s handrails by bow seats
- 2 x cupholders
- 4 x Deck cleats
- Fully upholstered seating and backrests finished in "storm grey"
- Onboard stowage consisting of 6 lockers: Anchor locker/2 x bow seat side lockers/ centre console locker/helm seat locker comes as an insulated self draining cool box/rear bench seat locker

BOAT ONLY CP150CC
£12995

Compass 150CC Package Deal
Compass 150cc with Honda 60hp
& Extreme Trailer
£23395

We will fit a customer supplied engine from £250 labour plus parts.

Compass 135 CC

Dealer enquiries welcome

Like the whole range of Compass boats, it is unsinkable. That's because of Compass' S4 construction method, which results in an extremely rigid and robust boat with masses of buoyancy, internal storage space and a deep freeboard. In the case of the 135CC that means it will support the weight of 4 adults and luggage weighing up to 371kg. The deep freeboard means this boat is very difficult to capsize.

The 135CC will plane with a 15hp engine upwards, but we would recommend 25-40hp depending on budget and performance requirements eg watersports activities. Each 135cc has a class-leading high specification and is fully equipped as follows, with no hidden extras.

TECHNICAL INFORMATION

- Coloured hull in stealth black c/w 135CC graphics
- O/a length 13ft 5in (4.07mts), beam 5ft 11in (1.8mts), weight 250kg (boat only), draft 0.26mts LWL 11ft 3in (3.42mts)
- Freeboard 2ft 4in (725cm)
- Class C vessel (4 adults, total 371kg).
- Rated up to 40hp Max – will plane with a 15hp upwards.
- Max design speed 28 knots (32mph)
- Self draining main deck
- Compass' S4 construction method 'unsinkable design'

MECHANICAL & ELECTRICAL

- Steering wheel fitted to the centre console c/w cable to the engine
- Fitted spare transom plate for auxiliary engine
- Fitted Compass 3 switch control panel on the centre console for navigation lights, bilge pump and steaming light
- Fitted 5 circuit fuse panel inside centre console
- Centre console folds towards stern for garage storage.
- Fitted battery isolation switch
- Navigation lights: 1 x pair at the bow and 1 x plugin detachable telescopic stern steaming light pole (stored in lid of rear bench seat locker)

SAFETY

- Fire extinguisher port in rear bench locker
- Fitted automatic bilge pump

DECK GEAR

- Flexible seating arrangements for up to 7 people made up by seating for 2 over bow locker, seating for 3 over stern bench locker, seating for 2 at the helm
- 1 x anchor bow roller s/s
- Folding centre console c/w smoke-tinted windscreen, s/s grab handle and storage tray
- 2 x handrails s/s by bow seats
- 2 x cupholders
- 4 x Deck cleats
- Fully upholstered seating and backrests finished in "storm grey"
- Onboard stowage consisting of 7 lockers: Anchor locker/bow seat locker/2 centre console lockers/helm seat locker/deck floor locker/rear bench seat locker

- Anchor locker self draining and fitted with stainless steel tether ring for anchor line
- Deck floor insulated cool box locker c/w drain plug
- Catches/locks on all lockers
- Upholstered s/s back support across the stern bench seat (upholstered detachable bolster)
- Helm seat backrest and centre console fold down reducing o/a height of boat eg for easier access into your garage!
- Folding (hinged) s/s boarding ladder s/s, c/w boarding grab handle and non-slip boarding platform
- Fitted 2 x transom bridle "D" rings
- Black rubbing strip fitted all around hull

Category C - Inshore: Designed for voyages in coastal waters, large bays, estuaries, lakes and rivers where conditions up to, and including, wind force 6 and significant wave heights up to 2m .

NEW FOR 2023 Boatworld KAT Range

Introducing the new KAT range from Boatworld. The KAT range are sleek, exciting and ready for anything. Featuring a high pressure boarding deck and a unique catamaran design. Which makes this boat stable and efficient on the water. The KAT range comes complete with some fantastic features thanks to its considered design, such as the two grab handles at the inside rear for easy transport, davit rings bonded to boats and boarding grab lines. Featuring high pressure easy to board decks and a catamaran design hull, these boats are very stable and efficient moving through the water. There is plenty of fun to be had with these boats. There is even the option to use the air deck as a stand up paddleboard with built in fin box and detachable fin supplied with every boat.

CUSTOMER REVIEW

ajones305 (verified owner) – 3 May 2022

I ordered the 380 v air deck and it arrived in record time and I'm so impressed with the quality of this boat and the space is great. It's extremely stable and so smooth even had it on the plane with 2 adults and a child with just the orca 6hp outboard on and still got 9.4mph. I can't wait to take delivery or my new orca 15hp outboard and get that pushing it. Can't recommend this boat enough. I'd take this over the Honwave equivalent any day lighter in weight and on the wallet.
Thank you Boatworld.

Boatworld Explorer 320 Air V Floor Inflatable Boat

Introducing the Explorer 320. This boat is rugged and ready for anything. The design for this boat is based on the Air V but with some quality upgrades, such as extra reinforcement, grips, accessories and much more. If you're looking for a boat for coastal cruising, fishing on your local river or going wild camping, look no further than the Explorer.

Coming in stealth black with a super wide beam, this boat is ideal for camping trips, exploration or just looking badass. Featuring a high pressure 'Air V' floor built into the boat and a maximum engine rating of 15hp this boat is sure to get you on the plane with ease and handle well.

CUSTOMER REVIEW

Stephen Pemberton (verified owner)
- 15 October 2021

As soon as boat arrived I was amazed how well the boat was put together. Some real thought has gone into this boat protection in the tubes and floor. Best boat out of 4 that I've owned

CUSTOMER REVIEW

5 out of 5

Ken - 24 June 2021

I have had my 330 Pro for 3 years and it has not failed once, I run it with a 9.8hp Mercury and had it in a five foot swell. fantastic little boat,

The SL Range 2.3m & 3.3m

The Boatworld SL range is the ideal boat to be used as yacht tender or for recreational use. SL denotes the floor has wooden slats that create the deck. The number of slats vary between 3 to 5 slats. The SL range is compact and ultra-light and efficient, perfect for a tender. Inflate & stow by a single person in minutes. 0.7 mm cloth 1000 denier in weight.

CUSTOMER REVIEW

Wayne Stevenson

(verified owner) – 17 June 2021

Recently took delivery of this boat and had it on the water last weekend. It's awesome and everything I hoped it would be. Customer service was absolutely spot on as well. I'll definitely be getting a new outboard from these guys when the times right.

The Flat Air Deck 2.7m, 3.2m & 3.6m

Our range of Air Deck boats are the perfect craft for any type of on the water activity. Whether it is simply open-water cruising, fishing or even coastal exploration, the Boatworld Air Deck will make your ride super smooth. With it's V planning hull these SIBS are all about performance and agility. The deep v-hull combines great directional stability with performance, and the high-pressure drop stitched floor helps soften the ride. On all Air Deck models, you have an inflatable keel trapped under the deck resulting in its smooth-looking performance hull.

CUSTOMER REVIEW

C Stone (verified owner) – 26 August 2022

We did loads of research in to what boat would be the right one for us...we just wanted something that was safe to use on coastal Scottish waters...

This Airdeck 320 is good to look at...

It feels really safe to be in.

CUSTOMER REVIEW

James (verified owner) – 20 July 2022

Excellent quality boat had it a year or so now gone out to sea a few times handles waves and swells very well for its size cat c so up to 2 metre waves can be safely taken on sturdy construction easy to set up and move around. I have the 435 which is the largest but only really room for 2 adults once you have your gear on board. All in all a very good product a cheap way to get out to sea when matched with a decent engine. I would recommend this product.

Borika FASTen Tripod Support Stand

SC800. Open up your setup to new options. This support stand is great for use on a stand up paddleboard, kayak or small boat. The Borika FASTen tripod support stand fits into 3 base mounts (not included), this then has two mounts on top for your chosen Borika accessories. You can use this stand as something to hold on to or in conjunction with a fishing rod holder, camera holder or fish finder.

£207.95

The Boatworld Round Tail Tender

Round Tail tenders are an excellent all-round inflatable dinghy. They are perfect for use as a tender, as an auxiliary boat or they can also be used as a small family dinghy. The round tail, unique in design, creates extra space in your boat without compromising on the size. Having 365 degrees of tubes and removing the sponsons creates a compact design that can be rolled down and then stowed in its carry bag, taking up little room when storing. As well as being easy to row, each boat is supplied with a bracket to mount an outboard motor, up to 2.5hp. If you are wanting to add a bit more stability to your floor then you have the option to add an air deck floor. This rigid floor is constructed from the same material as an inflatable stand-up paddleboard.

MODEL	Round Tail Tender		
	2 People + 1 Child (350kg)		CAT D Up to 0.3m high waves
	240cm x 140cm Tube Dia. 38cm		3 Towing D rings at bow
	22kg		2.5HP MAX Recommended 2 - 2.5HP
	Flat Hull Slatted Floor - 4 Wooden Slats		105 x 60 x 30cm Box Size
	In the Box Boat, Seats, Oars, Pump, Carry Bag & Repair Kit.		BWRT £395

 For more detailed product specifications please see our website

Fancy adding our inflatable High Pressure Air Floor to your Round Tail Tender?

The drop stitched high-pressure floor design replaces your slats for a solid feel floor. The fitting of the floor is very easy, simply lay the floor into your boat whilst the tubes are slightly deflated and tuck under the tubes. Inflate the air floor and then re-inflate the partially deflated tubes of your boat. BWRT-AF **£74.95**

Honwave Boats

The stylish range of Honwave inflatables are light, portable and easy to use. Built from the highest grade marine PVC, they are tough, durable and capable of taking on the harshest of environments.

Honwave's aluminium-deck inflatables are ideal watercraft for just about any nautical activity. Rugged and ready to go, their extra-large buoyancy guarantees smooth and safe cruising every time.

The Honwave air v-floors are light and fast and are packed with comfort and performance features. Their deep-V hull design significantly optimises keel performance and ensures maximum stability at virtually any speed. The hull design incorporates an extended rear inflated floor trim pad for effortless directional agility, responsive helm balance and increased buoyancy.

Compass 285 Tender

Compass are a family business based in Athens, Greece and have been making GRP boats since 1965. Boatworld are the UK distributors for Compass in the UK and Ireland. The baby of the Compass family of boats is the 285.

This is, once again, an unsinkable fully GRP constructed, capable boat from Compass. The Compass 285 is ideal for 2 adults as a fishing boat, either inshore, in estuaries or on a lake. Easy to launch and handle and is nice and stable in the water. It has a beautifully crafted planing cathedral hull so is a very stable boat and an excellent fishing platform and is a high quality boat in its class.

The Compass 285 tender is a professionally made boat designed to offer you many years of service.

Standard features:

- Class D rated for 2 adults up to 8hp MAX (2.5-8hp recommended)
- Size 2.85mt (9ft 4") x 1.35m beam (4ft 5")
- Weight: 70kg
- Hinged bow locker
- Fitted engine transom plate
- 2 x stern and 1 x bow deck cleats
- Centre and transom bench seating for 2- 4 adults
- 2 x moulded ABS handles on transom
- Fitted s/s bow eye
- Black rubbing strip all round hull
- Compass badges x 2

- 285 graphics on hull
- Reinforced deck area for oar rowlocks
- "Unsinkable" design
- Drain hole in top deck
- Threaded bilge drain plug bung

BOAT ONLY CP285 **£1395**

Optional extras:

- Pair of sectional aluminium oars c/w rowlocks, oar clips and mounts
- Bench seat bag and cushion
- Road trailer
- Range of Borika accessories.
- Range of engines from 2.5-8hp.

Meet our Outboard Tech Guru Gary Wilkinson Head of Boatworld Outboards and Servicing.

Responsible for ensuring Orca outboards are of top notch quality.

Gary has been overseeing the Orca brand since 2016, he gives every Outboard a thorough PDI (Pre delivery inspection) and bench test to ensure that every Orca outboard is ready for the water straight out of the box.

Thanks to Gary's knowledge and expertise, in 2022 we brought in our 3 year warranty which has gone down a storm with customers, making our Orca Outboards even more popular.

Gary also oversees our aftersales service on our Honda Outboards dealership.

So if its Outboards, Gary's your man.

Fuel & Handling

GO A LOT FURTHER! 3 or 5 GALLON FUEL TANK

Boatworld Outboard 3 or 5 Gallon Fuel Tank with Fuel Line & Pump Bulb

Moulded out of tough plastic. Built in carrying handle. Air bleed screw fitted into fuel cap. Built in fuel gauge. Comes complete with fuel line from tank to engine with inline pumping bulb.

XC1789111.
3 Gallon Capacity
£59.95

OEF5.
5 Gallon Capacity
£79.95

Boatworld Large Fuel Funnel

OOFF. Integrated filter so unwanted bits don't get into your fuel and block the fuel system/carb. 18cm Diameter
22cm in length
Removable filter
£9.99

Boatworld Small Fuel Funnel

BWSFF. Built in filter.
8cm Diameter
10cm in length
£4.95

Orca Fuel Connector

XC320-1. Orca fuel connector, uprate the 6 HP Orca Outboard Engine and most outboards with small internal tank to an external tank option.
£6.95

Honda Fuel Line Connector

HFC. For use with any standard fuel line to attach the fuel line to Honda outboard engines. Suitable for use with Honda outboards after 2004.
£7.95

Orca Outboard Engine Carry Bag

ORB-1. Makes carrying your outboard motor a whole lot easier. The bag is super heavy duty construction and wraps around and under the cowl of your outboard with 2 QR webbing straps and buckles and an additional rope draw cord.

Wide webbing shoulder strap. Suits most outboards up to 3.5 HP.

£19.95

Maintenance & Storage

Smith & Allan Geartech EP 80w-90 Gearbox Oil

Geartech EP 80W-90 is a high-quality axle and final drive lubricant, formulated using high quality, virgin, mineral base stocks which incorporate a tailored additive system. The fluid exhibits outstanding extreme pressure capabilities, hence offering excellent load carrying properties and anti-wear protection. The fluid is thermally stable and highly resistant to oxidation, as well as displaying excellent control over foaming and protecting against corrosion.

Performance

Boatworld Telescopic Tiller Arm Extender

TTAE. A tiller arm extender can aid the shift of the centre of gravity towards the bow of the boat which aids planing on inflatable boats. It can also help if you have a cuddy-style boat with an outboard with the tiller to help steer and accelerate from inside the boat.

Clamps on tiller arm for good control and easy release.
Telescopic from 85cm to 115cm.
Easy grip handle for comfort.
£28.95

FASTen - Borika Universal Tiller Extender

46.01. This is used to control a boat motor/engine in a situation where one needs to shift the centre of gravity closer to the bow of a boat. 600mm long.
£27.95

Boatworld Tiller Arm Extension

C16140. Boatworld Tiller Arm Extension Extendable arm 24" - 40" (60cm x 101cm). Anodised tiller arm perfect for saltwater use. Universal fit with tightening bolt which should fit most outboard tillers. Works on all Orca Outboards.
£24.90

Make your engine like new with Salt Bustin' Blu Thru !!

Blu Thru is a safe and fast salt removal system that improves marine engine cooling performance by removing built up salt residue reducing corrosion in cooling chambers and heat risers. Blu Thru unlike many of our competitors has been lab and field tested without harm to internal engine seals or gaskets, in fact Blu Thru is designed to lubricate and protect your engine seals, water pump and gaskets. This product is a total clean no scrub salt removal system for your boat, motor, tackle, fishing rods, fishing reels, trailer, dive equipment, beach furniture and sea side home windows.

Marine Flush Kit XC1168. Each Kit contains a dispenser, Flush Tablets, discount coupon, and instructions. One 40 tablet bottle of the Blu Thru tablets will provide 10 engine flushes and 10, 25 foot boat wash-down rinses, using 3 tablets for flush and 1 for wash down in our 5:1 wash wand.
£29.95

Tablet Refill Kit XC1169. Patented, environmentally friendly and race proven, our salt removal tablets will clean and protect your engine's internal cooling components, gaskets, lubricate rubber, and o-rings. The 40 tablet bottle will provide 12 engine flushes on average.

HYDROFOIL FIN MEGA DEAL!

Hydrofoil Fins (dual fins) from 5hp to 150hp

XC225-1. Hydrofoils increase the surface area of the cavitation plate creating more lift, and raising the stern. The result is a boat that planes faster, rides smoother, has increased stability, and consumes less fuel. Size : Each fin: 260mm x 215mm. Fits 40hp-150hp.
£19.95

Hydrofoil Fins from 8hp to 40hp

HF-40. Hydrofoils increase the surface area of the cavitation plate creating more lift, and raising the stern. The result is a boat that planes faster, rides smoother, has increased stability and consumes less fuel. It can also help lift the skier, wakeboarder etc out of the water much quicker. Hydro foils, also known as whale tails, improve the overall performance in outboards or stern drive powered boats. Suitable for outboards from 8hp to 40hp. Universal fit. Suitable for Orca Outboards from 15hp upwards. Comes with fixtures & fittings. Dimensions: 340mm x 370mm (width).
£34.95

Hydrofoil Fins from 40hp to 350hp

HF-350. Hydrofoils increase the surface area of the cavitation plate creating more lift, and raising the stern. The result is a boat that planes faster, rides smoother, has increased stability and consumes less fuel. It can also help lift the skier, wakeboarder etc out of the water much quicker. Hydro foils, also known as whale tails, improve the overall performance in outboards or stern drive powered boats. Suitable for outboards from 40hp to 350hp. Universal fit. Comes with fixtures & fittings. Dimensions: 340mm x 370mm (width).

Why consider an electric outboard?

Going electric is a smart way to cut down on weight, maintenance time /cost and help the environment. With their quiet operation and efficient power, electric outboards are very versatile. Perfect for use on lightweight craft such as an inflatable boat, kayak or tender. Charge your outboard straight from the mains or even solar for reliable and sustainable boating.

Orca 56lb & 86lb The perfect electric motor for driving your inflatable boat. Equipped with a telescopic tiller. The depth of the leg and pressure of the steering is also adjustable.

- 58lb 12v Brush Motor
86lb 24v Brush Motor
- 5 Forward & 3 Reverse Speeds

Boatworld Inflatable Boat Launching Trolley

BWL.T. The Boatworld Dinghy Launching trailer is the perfect accessory for Boating. The trailer makes Launching and retrieving your boat a doddle. The fully stainless steel frame is perfect for any water and the large wheels mean no terrain is too tough to tackle. The trolley has 2 rubber holders and a double rubber holder in the front. Weight: 25 kg. Max. load: 150 kg. Stainless Steel Square Frame. Length: 190 x 270 cm. Width: 140 x 185 cm. Air-filled rubber wheels. Maximum boat length: 3.3 m – 10.8 feet. Delivery unassembled. Cannot be registered for driving on public roads. The wheel bearings must be filled with grease before use.

£195.95

Dinghy Wheeler

AQDW1. The Best Way to move your portable tender! Perfect for the Inflatable Boats!! These Transom Wheels have 3 Easy Steps from sea to land and from land to sea - No more dragging with Dinghy Wheeler! Easy installation. Maintenance Free. 3 Positions wheel locking by heavy duty spring. Anti-corroding lightweight material. Two Wheelers are supplied. Size: Overall 300mm x 100mm. Wheel 100mm x 150mm. Fixing Pad 135mm x 87mm. Fits most makes of inflatable boat or small dinghy. Wheels roll easily over firm surfaces, and tuck out of the way once boat is in water. Extra wide wheels are perfect for all firm surfaces. Stainless steel fixing bolts included. Easy installation. Max capacity: 112kg Max boat length: 12ft - 3.66m

£45 PER PAIR

Boatworld Stainless Steel Launch Wheels

These fantastic Boatworld Stainless Steel Launch wheels are perfect for wheeling your inflatable boat about. They have a great sprung loaded action for simple and easy deployment. You can switch from launch to stow position in a couple of seconds (see video on Boatworld website). The wheels are also completely detachable if you want by simply removing the cotter pin. The 10" tyres have a proper off-road tread pattern and cope with rugged surfaces. Made from 304-grade stainless steel. Rated up to 120kg. Equipped with 250mm (10") diameter x 85mm (3.5") wide quality tyres. The pneumatic tyre version has angled valve stem for easy inflation. Easy to use sprung loaded action results in simple movement from launch to stow mode. Also detachable. Switch launch to stow position in just a couple of seconds! Angled shafts let wheels sit under the boat for launch and sit well outboard the boat whilst stowed. Supplied complete with stainless steel fixings and fitting instructions.

Pneumatic tyre. SSLW **£115.95 PER PAIR**

Boatworld Airdeck Dinghy Launch Wheels Boats up to 120kg

AHHW-120. Swan neck style launching wheels for inflatable boats with extending flaps (TrimTabs) on the transom which make it impractical to fit conventional launch wheels. Stainless Steel. Swivel when not in use. Detachable. Heavy Duty pneumatic tyres. Come with all fittings.

Suitable for boats & engines set up's weighing up to 120kg. **£199**

Boatworld Bow Launch Wheels

BLW. Designed to make it even easier than just a set of launch wheels to launch your inflatable boat. The bow launch wheels sit underneath the bow of the boats to create the effect of having the boats on a trailer but without the expense. Once your standard launch wheels, which are attached to the transom, are deployed you can then lift the bow of the boat, sit it on the bow launch wheels, hook the wheels onto the D-ring at the front of the boat and then away you go. It even doubles up as a sack barrow for carrying your boat whilst packed away down to where you are going to launch. Stainless Steel Construction. Use on any size Inflatable Boat. Wheel to Wheel Width: 56cm. Metal Frame Width: 40cm. The boat must have D-ring underneath rubbing strake to secure the boat. Rubber Tyres for use on any surface. Can also be used as a sack barrow.

£165.95

Shop our full range of boat launchers

Extreme Launcher 2 Trolley

EXTL2. Suitable for small dinghies up to 13" or 4m in length. It has two keel rollers and four adjustable side rollers, making launching and recovery a breeze. The large 14" sand hopper puncture-proof tyres allow you to manoeuvre the trolley over sand and gravel. Designed and Manufactured in the UK. Can be reduced in size for easy storage. Please note this trolley is not suitable for road use. Overall Max Length: 2800mm. Overall Min Length: 1700mm. Overall Width: 1350mm. Carrying capacity: 240kg.

£378

Honwave E3 Transport Wheel Kit

06427-ZV5-T20HE. designed for all E3 versions of aluminium and air floor Honwave Inflatable Boats. The swan neck design is designed to go round the join between the floor and then transom board. Stow or remove when not in use. Safety line included.

£272.95

Boatworld Stainless Steel Launch Wheels with Hard Tyres

SSLWH. perfect for wheeling your inflatable boat about. They have a great sprung loaded action for simple and easy deployment. You can switch from launch to stow position in a couple of seconds (see video on this listing). The wheels are also completely detachable by simply removing the cotter pin. The 10" puncture-proof hard tyres will ensure that you never get a flat. Made from 304-grade stainless steel. Rated up to 120kg. Equipped with 250mm (10") diameter x 85mm (3.5") wide quality pneumatic tyres. Tyres have angled valve stem for easy inflation. Easy to use sprung loaded action results in simple movement from launch to stow mode. Detachable. Switch launch to stow position in just a couple of seconds. Angled shafts let wheels sit under the boat for launch and sit well outboard the boat whilst stowed. Supplied complete with stainless steel fixings and fitting instructions

Trailers

Inflatable Boat Trailers

At Boatworld, we stock a range of high quality galvanised Extreme Trailers for inflatable boats, RIBs and SIBS. Manufactured in the UK, these trailers feature long carpeted bunks and transom pads for complete boat and outboard support. These are suitable for small inflatable boats all the way up to 5.3m in length and 550kg. Recommended for launching and transporting Boatworld inflatable boats.

Prices from £1125

Shop our full range of inflatable boat trailers

Bunked Boat Trailers

We have a wide range of bunked Extreme Trailers here at Boatworld. These are high quality, galvanised and designed right here in the UK. Unlike the inflatable boat bunked range this range is suitable for dinghies, hard boats and RIBs. Featuring long carpeted bunks on either side and central keel rollers, the trailer comes standard with plenty of configuration options for your chosen craft.

Prices from £1122

Shop our full range of bunked boat trailers

Roller Boat Trailers

The popular Roller range of boat trailers from Extreme is a proven trailer. Thanks to Extreme Trailers roller swing arm design, launching and recovery is simple and easy. We stock a complete range of sizes in the roller trailer range for all types of solid hull boats, sports boats and RIBs. These trailers are ready to go from new, coming with a lightboard and winch as standard like all Extreme trailers.

Prices from £976

Shop our full range of roller boat trailers

Jetski Trailers

We have a range of trailers at Boatworld for all your PWC needs, not just boats. Including both single and double jetski trailers in bunked and roller options. The trailers in this range are highly adjustable and can be made to fit most jet skis... Be sure to check out our Custom jetski models featuring alloy wheels and a black powder coat finish!

Check out our Wakeboard Towers Blog

Why install a Wakeboard Tower?

1. You will enjoy your time on the water more with a properly installed wakeboard tower. A wakeboard tower will make your time on the water much more fun.
2. A wakeboard tower installation will get your extra gear out of your boat, reducing your chance of passenger, or boat interior, damage.
3. A wakeboard tower will increase the value of your boat.
4. A wakeboard tower makes it easier to pull your skiers or wakeboarders out of the water.
5. Wakeboard towers look great on your boat!

Boatworld Wakeboard towers boost riders to new heights, keep clutter out of the cockpit, and look cool.

If your boat was supplied without a tower, put one on now!

Boatworld towers are the best buy on the market bar none.

We use top-quality materials, such as 2" 6061-T6 aircraft grade aluminium and quick-release hand knobs. Installation is easy and will take 2 people less than a day to transform your Boat. All fixing bolts are included, all you need is a decent tool kit.

Whatever design of boat you have, we have a tower to suit your needs at the best price anywhere, and that's a price promise !!

If people ask if you bought a new boat, just tell them you bought a new Boatworld tower!

#1 LOWEST PRICE WAKEBOARD TOWER IN UK & EUROPE!

Boatworld Vertigo Wakeboard Tower

XC102. The Boatworld Vertigo Wakeboard Tower has a swooped styling, thick and rigid tubing, ultra-bright polished finish, and universal mounting brackets. Constructed from 2.25in diameter 6061 T6 aircraft grade aluminium tubing, our Vertigo wakeboard tower has a swept angled back design that is incredibly rigid for a stable pull behind the boat. We have two sizes available in our wakeboard towers, one for the narrower boats and one for the more standard size boat. Our standard size tower fits any boat between 76" (193cm) and 108" (274cm) in width and the narrow width tower fits any boat 66" (167cm) and 98" (248cm) A truly universal wakeboard tower design that will enhance the appearance of your boat. This collapsible wakeboard tower allows one person to quickly and easily fold this tower below windscreen height for convenient storage. Please note: Wakeboard racks and other accessories are sold separately.

Polished **£695**

Anodised **£795**

Boatworld T Top Tower

XC105. Our Boatworld T-Top Tower is made from 2" dia. 6061 aluminium tube and is available in anodised or black powder coated finishes. So be warned, it is going to make your boat striking to look at!! At 6'6" tall, the T-Top fits most centre console boats where the console is from 24" to 50" wide, providing some shelter from the elements and support for the person at the helm. Complete with built in grab handles, it also provides you with a place to store your fishing rods off the back! The black bimini canvas top is fade and stain resistant. Why not complete the package with one of our T-Bags to hold life jackets and other gear under it? When you are putting the boat away, the whole thing has a quick release knob enabling you to fold it down for easy storage. All fixings are stainless steel. **PLEASE NOTE THIS IS NOT DESIGNED FOR ATTACHING TOW ROPES TO.**

£1050

Available in anodised aluminium or black powder coated finishes.

Black powder coated finish

Boatworld Universal T-Top Centre Console Boat Cover

XC1054. Our trailerable T-top Console Cover is secured to the underside of the fixed T-top structure and will enclose any size console, helm seat and T-top support combination with a maximum base perimeter (at the deck) of 18" or less. All console covers measure 48"W x 60"L x 66"H. Features: Adjustable straps allow the cover to work with most console configurations. Boats with smaller console and T-tops can also cover and protect the helm seat. Heavy duty marine grade zipper allows for easy installation and removal.

£55

Boatworld T Top Fishing Rod Holders

XC101. Boatworld T Top Fishing Rod Holders are designed to fit to the Boatworld T Top. Simple to fit. They are in the same bright anodised finish. Fully adjustable. Fits tubes 2" in diameter. Boatworld T Top Fishing Rod Holders look great and make your boat less cluttered with lines and hooks on deck!

£45

Boat Mirrors

A Boat mirror is an essential piece of equipment for your boat. It allows the driver to keep their eye on all that is going on around them, whether that be towing a wakeboarder or skier or being aware of other approaching vessels.

We offer a full and extensive ranges of mirrors to fit every style of boat from a small run around to a top of the range Mastercraft.

Vision 180° Mirror

XC108-1. The Ultimate Tournament boat mirror, fitted as standard by Mastercraft. Jumbo size of 18 1/2" x 5 1/2" provides full 180° range of port to starboard rear view vision.

The Deluxe Windshield Mirror Bracket will fit virtually any boat windshield. It has a depth of 1 7/8 inches, which is about a half inch more than most marine brackets currently on the market. The Deluxe bracket also has the ability to tilt forward for storage when not in use, rather than removing the entire unit.

£229

Extreme Mirror

XC108. Size: 15.2cm x 50.8cm. Windshield frames 5mm to 28mm. Mounts above or below windshield. Multi-lens convex mirror. One stationary and two adjustable.

£149

Ellipse Mirror

XC109. Size: 4" x 11" multi-lens mirror features one stationary and two adjustable lenses. Also has a ball and socket tension adjustment knob that will keep the mirror where you position it. CIPA's windshield frame bracket will mount to rectangular or round-top windshield frames from 3/8" to 1 1/4".

£69.95

Suction Cup Mirror

XC110. Size: 4" (10.2cm) x 8" (20.3cm) Fully adjustable mirror, stays in position. No holes to drill, no scratching.

£29.95

Safety Mirror

XC111. Size: 10.2cm x 20.3cm Universal interior mirror. Mounts above or below windshield. Fits frames from 1.1cm to 1.0 2.5cm thick.

£39.95

Boat Mirror

XC112. Size: 7.6cm x 20.3cm Universal. Fully adjustable. Convex lens for wide rear view.

£19.95

Boatworld Inflatable Dock & Rafting Bumper

HH-R612. 6 ft x 12" (183cm x 30.5cm). These inflatables offer unmatched protection while rafting boat-to-boat or docking. Constructed of durable reinforced PVC tarpaulin. Stainless steel D-rings are mounted at each end for convenient tie-ups. They're equipped with a H-Valve for quick inflation and deflation. They deflate quickly and stow away compactly. Essential protection for pontoons and houseboats!
£99

Boatworld Contour Fender

HH-1. Traditional round fenders tend to roll up, leaving your boat unprotected. They're also bulky to stow. Boats with step-down gunwales are especially vulnerable to damage from docks. These Contour Fenders stay put and stow conveniently under boat seats. They hinge to wrap around the gunwale and hull, following the contours of the boat. They are constructed of a durable marine grade tri-laminate cover, with closed cell foam inside. There's a tough polycarbonate grommet at each end for hanging from cleats. Blue, Black or White. Size: 24" long x 6" wide x 2 1/2" thick.
£16.95

Airhead Non-Slip Fender Straps

SF-2. These Non-Slip Fender Straps allow you to attach boat fenders to rails and cleats quickly and securely. The non-slip pads sewn to the underside of the straps help to minimize sliding along rails. Easily adjust the length in seconds from 6 to 40 inches. Pack of two. Fenders Not Included.
£9.95 PER PAIR

Suction Cup Fender Straps

SF-1C. Great for Boats and Personal Watercraft. Attach your boat fenders exactly where you need the protection. Giant 3-1/4" suction cups attach to gelcoat or windshields quickly and easily. Perfect for most boats and personal watercraft where cleats never seem to be where you need them. Durable 1" wide straps adjust up to 24" long. Fenders not included. 2 per package.
£12.95

Boatworld A Style Mooring Buoy & Fender

One-piece reinforced ropehold buoy, meets the needs of commercial as well as recreational boaters. Rubber valve for inflating using needle pump. Size 15" long x 11 1/2" dia" (38cm x 28 cm). Eye dia. 1" (25mm). Supplied deflated. B-1W. Black/White. B-1R. Black/Red.
£19.95

Boatworld Sibbed 16" Fender 4 Pack

Made from high quality marine grade vinyl and is designed to deliver superior strength and long lasting service. Full length SIBs increase strength, minimise roll & protect against abrasions. Rubber valve provides easy inflation when required with standard sports ball needle (not included). Moulded in eyelets provide strong ropehold. Boatworld Fenders are guaranteed against bursting or splitting for the life of the fender. Fenders are supplied already inflated. Size 16x4 1/2". Blue F-1B4. White F-1W4.
£25

Boatworld PWC Contour Fender

HH-PWCB. Docking a PWC has never been safer with the introduction of the Boatworld PWC Contour Fender. Engineered specifically for PWCs it hinges in the centre to better protect PWC bodies from docks designed for bigger boats. It hooks under the rub rail with a moulded acetyl hook integrated into the back of the fender. If your PWC has them, you will want to connect the top of the fender to a cleat or ski eye with the adjustable strap and vinyl dipped steel hook provided. If not, simply thread the strap through the rubber block provided and place it inside the PWC's storage compartment then shut it. The block anchors the fender strap perfectly and will not damage the body. We recommend 2 fenders per PWC. Fits all PWCs.
£17.95

Jet Logic PWC Fenders

SB4. Jetskis and personal watercraft require specialised fenders to prevent damage from floating underneath docks designed for boats. The Jet Logic PWC Fenders are 3' x 18" with nylon covers and attach to your PWC with 2 giant suction cups or secure under your seat and console. The Jet Logic PWC Fenders are great for protecting your jetski when moored up to docks, for rafting boat to boat or PWC to boat.
£26.95 PER PAIR

Boatworld Sibbed Single Fender

Made from high quality marine grade vinyl and is designed to deliver superior strength and long lasting service. Full length SIBs increase strength, minimise roll & protect against abrasions. Rubber valve provides easy inflation when required with standard sports ball needle (not included). Moulded in eyelets provide strong ropehold. Choice of white or blue colours. Boatworld Fenders are guaranteed against bursting or splitting for the life of the fender. Fenders are supplied already inflated.

F1. 16x4 1/2" **£6.99**
F2. 20x5 1/2" **£9.99**

Boatworld Rope Floats

Our Boatworld Rope Floats come in 2 colours, red and yellow. Made from ultrasonically welded plastic. It is ideal for watersports ropes, small anchor lines, fishing nets and ponds and marking out swimming lanes or restricted areas. Size 5 1/2" (14cm) long x 3" (7.5cm) wide. 12mm hole through the middle. XC188-Y. Yellow. XC188-R. Red.
£2.50

Airhead 5" Floats

These durable ultrasonically welded plastic floats are great for pools, ski ropes, anchor lines, marker buoys and crab traps. They're economically priced, yet built to last. Size: 5 inches long x 3 inches diameter with a 1/2-inch hole in the center. F-5R: Red, 1 per retail package. F-5Y: Yellow, 1 per retail package.
£4.95

£32.95

Ocean Safety

Rescueme PLB1

EPI3110. Wherever you are, at sea or on land, the rescueME PLB1 provides the reassurance that global emergency services can be alerted by the press of a button. A simple spring-loaded flap covers the activation button preventing inadvertent use. Rescueme PLB1 works with the only officially recognised worldwide dedicated search and rescue satellite network (operated by Cospas Sarsat). As this is funded by governments there are NO CHARGES to use this service.

£290.95

Ocean Safety Rescueme PLB3

EPI3115. With the introduction of Automatic Identification System(AIS) functionality, Return Link Service(RLS)technology, and Near Field Communication(NFC) capabilities in one 406 MHz Personal Locator Beacon (PLB), the rescueME PLB3 represents a significant step forward in the evolution of PLB's. The merging of 406MHz and AIS distress messaging effectively pairs both global and local rescue, thereby maximizing access to the most effective rescue resources available. NFC capability provides users with the world's first smartphone-connected PLB and the Return Link Service feature provides users with the comfort in knowing that their distress message has been received and their location detected by worldwide Search and Rescue personnel.

£475.95

August Race #1 RESULTS!!.

BEFORE

AFTER!

For RIBs & SIBs August Race LR Sealer Coat

ARLRSC. The August Race LR Sealer is Polymer Tube Sealer which helps prevent water spotting/absorption on inflatable SIB tubes. LR Sealer coat leaves a silky finish to tubes and can even be used on fabric impression material to leave a market-leading, even finish. It is environmentally friendly and 100% bio-degradable. 250ml.

£21.95

For Power Boats August Race Super Valet

3484320. Fast Finish Spray Wax. August Race Super Valet is an everyday valeting spray wax that gives an incredible shine, fast! Super Valet is safe to use on most wipeable surfaces and with its anti-static formula, it actively reduces dust and grime deposits. Perfect to use throughout the season to remove water spots and maintain a high shine finish. 1 litre.

£18.95

For RIBs & SIBs August Race Liquid Rib

LR1. Liquid Rib is capable of cleaning Hypalon, PVC and fabric impression tubes to an unparalleled standard, often giving an "As New" result. Reviewed by Practical Boat Owner as being the best on the market. We recommend using August Race LR Sealer coat to protect your Rib tubes after cleaning with Liquid Rib. 1 litre.

£18.95

For RIBs & SIBs August Race LR Sealer UV formally Liquid Rib UV

LQU0001. LR Sealer UV is a brand new super high UV protective RIB Tube Sealer (suitable for most types of material including fabric impression). A little goes a very long way and it quickly absorbs into the tube to give an industry-leading level of UV protection and an even, glossy finish while also being fully Biodegradable. An independent Accelerated Weathering and UV Damage lab test carried out under extreme temperature changes and UV light to imitate central Europe weather conditions. Independent lab test results: "After 240 hours of Accelerated Weathering and UV Damage testing the sample with the coating was visually far better than the no coating sample". This superior tech-packed treatment has now replaced our previous RIB tube protector (Liquid Rib UV). 250ml.

£18.95

For Power Boats August Race Vinyl Bright

VB1. Vinyl Bright Revival Kit gives an unrivalled deep restorative treatment dramatically improving the appearance of even old dull vinyl upholstery. Vinyl Bright is applied using the deep-care sponge provided and then the surface should be thoroughly rinsed using clean water. Once dry apply AR Super Quick Shine using a soft cloth and buff to a sheen finish. 1 litre.

£18.95

For Power Boats August Race Bright Coat

BRIG0001. Bright Coat is a high strength fast-acting de-stainer for gel coats. Capable of removing most rust, watermarks and mud-staining. Due to its high strength, you will need to re-polish following treatment using August Race Smooth Opacity Polish. 1 litre.

£18.95

For all Boats August Race Boat Wash Pro

BOAT0002. Boat Wash Pro is a PH Neutral all-over foaming cleaner for boats. Capable of removing dirt and grime from most substrates Boat Wash Pro incorporates anti-smear technology to ensure the best possible finish for your boat. We recommend using Smooth Opacity polish after cleaning with Boat Wash Pro to protect and maintain your boats appearance. 1 litre.

£16.95

For Power Boats August Race Fresh

XCARF. August Race Fresh is a unique spray-applied enzyme treatment to eliminate bad odours from most surfaces. Fresh works deep into the surface and neutralises the source of bad odour leaving a pleasant smell. Fresh works best in a warm environment so if possible bring the area to be treated up to temperature then having removed any electrical heat source simply spray onto the affected surfaces. If it is not possible to heat the area then spray with a light mist of warm water after applying FRESH and allow to dry.

£18.95

For all Boats August Race 'Spot Off' Mould Remover

3484078. August Race™ Spot Off is a low-foaming mould spot remover for use on a variety of surfaces including rib tubes, vinyl upholstery and paint. Less aggressive than conventional bleaching agents, Spot Off gives amazing results fast. (N.B. Please ensure to follow the label instructions for the most effective method of application).

£18.95

For Power Boats August Race 'Deck Mate' Scented Synthetic Teak Cleaner

3484153. A highly effective, non-hazardous cleaner designed to gently and safely remove dirt and salt deposits from synthetic teak decks. Simply spray directly onto the surface, then using the sponge applicator provided or a soft bristle brush work into the grain. Wipe clean using a microfibre cloth and rinse with clean water.

£15.95

For Trailers August Race 'Trailer Restore' Professional Metal Trailer Restorer

TRAIL002. The ultimate bare metal trailer restorer. Bring your trailer back to life! Specially formulated and developed in conjunction with some of the industry's leading trailer manufacturers, August Race Trailer Restore is a new essential in every boaters toolbox.

£18.95

For Trailers August Race 'Trailer Gleam' Protective Trailer Finishing Polish

TRAIL002. August Race Trailer Gleam is the best way to help prevent staining and rust marks on bare metal boat trailers, developed and formulated in conjunction with some of the industry's leading trailer manufacturers Trailer Gleam is now a staple in boating circles.

£14.95

Borika T-Track Adapter Mount

FS218. This Borika T-Track Adapter Mount is ideal for setting up a Borika mounting point on your boat or kayak. Simply slide this into your T-Track rail or T Bolt adater and tighten the grey centre piece up. The Hex hole will then function as a point to mount a Borika fishing holder, fish finder and much more. You can also use a Borika extendable accessory mount in conjunction with this to give yourself more flexible mounting options.

£11.95

Borika FASTen Inflatable Boat Accessories

Borika FASTen Inflatable Boat A Frame Kit

The Borika A-Frame Kit can be used to attach a whole array of equipment to (eg lights, rods, flag, camera etc), helping to keep some kit outside of the boat and de-clutter. It can also be used as a handrail, awning holder, etc. It is constructed from aluminium tubing and polyamide swivel and tilt mouldings with angled support arms. The feet of the A-Frame attach to the boat using 4 x FASTen base mounts (not included). The A-Frame comes complete with 2 x FASTen mounts on the tubing for quick installation of various bits of equipment. These 2 mounts can be moved wherever you need them on the tubing. Apart from mounting a range of equipment on it, it acts as a great support when standing in the boat and it looks great! Black. 2 universal FM132 Borika accessory mounts on frame. FASTen base mounts NOT included.

800mm x 500mm

Fits on boat tubes between 85cm - 105cm. STP050.

£225.95

800mm x 800mm

Fits on boat tubes between 105cm - 125cm. STP080.

£236.95

800mm x 1100mm

Fits on boat tubes between 125cm - 145cm. STP110.

£259.95

Mount Extensions

Borika FASTen Accessory Mount Extender with 2 Pivots

FEX100. The Borika FASTen Accessory Mount Extender with 2 Pivots, is a fantastic way to configure your boating or kayaking to your exact needs. Customise your setup by placing this in your chosen mount. You then have the option to extend up your chosen Borika accessory by 100mm, and rotate this on two pivots. For example, if you wanted your Borika anchor roller to be angled clear of your boat and at an angle, this would be the option for you!

£23.95

Borika FASTen Extendable Accessory Mount Extender with 2 Pivots

FEX220. The Borika FASTen Accessory Mount Extender with 2 Pivots, is a fantastic way to configure your boating or kayaking to your exact needs. Customise your setup by placing this in your chosen mount. You then have the option to extend up your chosen Borika accessory by 220mm, and rotate this on two pivots. For example, if you wanted your Borika anchor roller to be angled clear of your boat and at an angle, this would be the option for you!

£27.95

Borika FASTen Aluminium Tub Extender 205mm

EX225. The Borika FASTen Aluminium Tub Extender is ideal for increasing the distance between your accessory and mount. This accessory enables you to easily put accessories overboard or lift out of a kayak or boat by 205mm. This is ideal for use with a phone case or fish finder monitor. It also offers you the option to rotate your accessory to whatever angle you require.

£18.95

Rod Holders

Borika FASTen Fishing Rod Holder Kit Inflatable Boat

HTP213. Adjustable base to hold your rod firmly in any position. Rotating collar helps reduce 'strike-theft'. Rear gimble lock reduces rod rotation for compatible rods; lift to slide rods through. Fully adjustable 360° around, over 90° vertical. Easy access to reel when in position. Square-tooth adjustable tilt stops rotational slipping. Black. For spinning reels, bait casting reels, boat reels, fly reels.

NOTE: We strongly recommend that you tether your fishing rod to the boat while in use.

£27.95

Borika FASTen Fishing Rod Holder with Hard Deck Mount

HTB213. Adjustable base to hold your rod firmly in any position. Rotating collar helps reduce 'strike-theft'. Rear gimble lock reduces rod rotation for compatible rods; lift to slide rods through. Fully adjustable 360° around, over 90° vertical. Easy access to reel when in position. Square-tooth adjustable tilt stops rotational slipping. Black. For spinning reels, bait casting reels, boat reels, fly reels.

Super Premium Quality Boat Cover - 3 sizes with free mesh storage bag

8oz 600 denier, our top end boat cover. Low stretch rope hem with 2:1 ratchet hook tension system. Trailer tie down straps included. Telescopic Support pole included. 2 Air vents to prevent mildew. Soft fabric on the inside around the windscreen area prevents windscreen scratches.

These covers are heat taped on all seams to make it as waterproof as possible.

Support poles need to be installed to stop water "pooling" on the cover.

XC1186. 14'-16' (max beam 86") **£199.95**

XC1187. 17'-19' (max beam 96") **£229.95**

XC1188. 20'-22' (max beam 102") **£249.95**

TOP TIP: Avoid pooling of water by fitting cover supports which allow the water to run off the cover.

Premium Quality Boat Cover - 3 sizes with free mesh storage bag

XC113. Sizes: 14'-16' / 17'-19' / 20'-22'. Fantastic quality 6oz 300 denier boat cover that will fit most boats. Hardwearing, water repellent and breathable. The covers have a shockcord hem that keeps the cover snug to the boat, in addition there are 12 webbing loop tie down points. A trailer tie down strap kit is available if you intend to tow your boat with the cover on. These covers will fit outboard and inboard models.

Seams are overlap so not 100% waterproof.

Installation of a support pole is essential to stop water pooling.

Boat Cover Pole Stand Kit

XC120. Nylon Webbing straps form a ridge along the cover. Plastic sheathing protects your boat at the straps contact points. Support pole adjustable from 65cm to 165cm. Fits most boats up to 7.5m long.

£29.95

Boat Cover Tie Down Kit

XC121. This is an efficient way to secure your boat cover when trailering. Constructed of 1" black polypropylene webbing and convenient quick-release buckles. Unlike bungee cords these durable tie-downs don't stretch, so they won't tear your cover or damage your boat. Each kit contains twelve 8' straps.

£16.95 PER SET

Telescopic Boat Cover Support

XC119. Telescopic alloy pole with rubber end cups. Ideal for wintering and prevention of build up of water. 50 cm - 120 cm.

£16.95

Suction Cup Tie Downs

STD-6C. Suction Cup Tie Downs are perfect for 100's of tie down applications where there simply isn't an anchor point, cleat or other device to anchor conventional tie downs. Giant 3-1/4" suction cups with toggle ball ties stick to auto finishes, boat finishes and windows. Great for boat covers, tarps, trunk lids, ropes, cords, fishing poles, flashlights, etc. Too many uses to list! 4 Pack, 6" ties stretch to 11".

£14.95 PER SET

Boatworld 2.5 / 3.2 / 4KG Grapnel Anchor Kits

HDG Grapnel Anchor. 2 x 8mm shackles. One galvanised 6mm x 2mt (6' 6") chain. One nylon twist 8mm x 300m (100ft) anchoring line.

2.5kg XC136-2 £39.95

3.2kg XC136-3 £44.95

4kg XC136-4 £51.95

Boatworld 2.5kg Grapnel HDG Anchor Kit

XC220-A. This 2.5kg hot-dipped galvanised grapnel anchor comes complete 2 x 8mm HDG shackles, 1mt of 6mm HDG chain, 50ft (15mts) of rope and a tough nylon storage bag. The storage bag means you can neatly stow this anchor system in your Jetski or boat, protecting it and your vessel! The HDG anchor makes it suitable for seawater as well as free water. This 2.5kg grapnel anchor will hold in mud, sand, gravel and rock and is designed for the temporary mooring of small boats, sailboats, PWC, inflatable boats, canoes and float tubes. Will it fit in my anchor locker? Bag size approx 39cm long x 12cm diameter folded.

£32.95

Boatworld 1.5kg Red Grapnel Anchor Kit

XC220. This 1.5kg red-coated grapnel anchor comes complete with 25ft (762cm) of rope sliced to it, a tough nylon storage bag, an in-line rope float which slides up and down the rope and a HD stainless steel snap-hook at the other end. The storage bag means you can neatly stow this anchor system in your Jetski or boat, protecting it and your vessel! Fits into most PWC seat compartments (size approx. 12" (30cm) long x 3 1/2" (9cm) diameter). The red-coated anchor makes it easy to spot in the water. This 1.5kg grapnel anchor will hold in mud, sand, gravel and rock and is designed for the temporary mooring of small boats, sailboats, PWC, inflatable boats, canoes and float tubes.

£24.95

Boatworld 0.7kg Sup/Kayak Anchor Kit

XC220-4. Designed and ideal for use with your SUP or Kayak. This anchor kit comes complete with PVC float and 7.6mts (25ft) of anchor line, which is attached to a red painted folding grapnel anchor at one end and a stainless steel snap hook at the other! To complete this great package, it all comes in a handy nylon storage bag with drawstring!

£17.95

0.7kg / 1.5kg / 2.5kg / 3.2kg / 4kg Folding HDG Grapnel Anchor

Ideal for jetskis, kayaks and small craft (e.g. dinghies). Galvanized finish. These anchors start at only 12 inch long and fold away for handy storage. Folds away when not in use using locking cap.

0.7kg XC219-2 £6.99

1.5kg XC219 £9.95

Grapnel Hook HDG

9" long x 8" wide (231mm x 195mm). Made from 8mm dia bar. Hot Dipped Galvanized finish. 4 pronged. Weighs 1, 5lbs (0.7kg). 15mm dia eye for rope attachment. Ideal as a simple anchor, for retrieving lost fishing gear, nets, clearing weed.

0.7KG XC93-5 £5.95

1.5KG XC95-6 £14.95

Boatworld PWC Sand Anchor & Buoy

A-1. Ideal for anchoring in shallow water - ideal for jetskis, dinghies, ribs and canoes too!! Fill the durable nylon anchor bag with up to 35 pounds of rocks or sand. Buoy marks the anchors location. Tie-ups are easy with the floating heavy duty rope and a giant snap hook.

£18.95

Drift Anchor

XC1006. Great for slow trolling live bait and drift fishing on rivers. Constructed from rugged, reinforced nylon that will not fray. Our Drift Anchor is designed with a resistance free lanyard that inverts the sock to empty water for a easy retrieval. A drift anchor can also be extremely helpful in the event of engine trouble. This anchor is suitable for boats under 6m. Blue in colour. Comes with Free Mesh Storage bag. 750mm L x 600mm D.

£14.95

Boatworld Screw Anchor System

XC165. Designed for use in shallow water by the beach. It comes complete with nylon storage bag, 10ft (3mts) of rope, an in-line float, plated steel screw anchor system & 2 stainless steel snap hooks. Screw your anchor into the sand/mud, then simply clip one end of the rope onto your PWC or dinghy and the other to the screw anchor! This is just a great way to temporarily anchor in shallow water!

£14.95

Oval Downriggers

These Boatworld Oval Downriggers are to be used when fishing using the trolling method. They enable you to cast your lure at a desired depth.

Boatworld PWC Sand Anchor & Buoy

A-1. Ideal for anchoring in shallow water. Fill the durable nylon anchor bag with up to 35 pounds of rocks or sand. Buoy marks the anchors location. Tie-ups are easy with the floating heavy duty rope and a giant snap hook. Yellow.

£18.95

Boatworld PWC Contour Fender

HH-PWCB. Docking a PWC has never been safer with the introduction of the Boatworld PWC Contour Fender. Engineered specifically for PWCs it hinges in the centre to better protect PWC bodies from docks designed for bigger boats. It hooks under the rub rail with a moulded acetyl hook integrated into the back of the fender. If your PWC has them, you will want to connect the top of the fender to a cleat or ski eye with the adjustable strap and vinyl dipped steel hook provided. If not, simply thread the strap through the rubber block provided and place it inside the PWC's storage compartment then shut it. The block anchors the fender strap perfectly and will not damage the body. We recommend 2 fenders per PWC. Fits all PWCs.

£17.95

A CINCH TO WINCH!

Boatworld Jet Ski Trailer Winch Strap

XC1240-1. Getting your personal watercraft (PWC) in and out of the water is a breeze with this heavy-duty winch strap. With a break strength of 3,500 lbs and a soft-loop hook, it helps you to rapidly load and unload your PWC while protecting its finish. Features: Heavy-duty strap works with hand winch, enabling you to safely load and unload your PWC from your trailer. Loop end secures to winch drum. Two options for fastening strap to your PWC's bow. Zinc-plated steel snap hook. Built-in keeper prevents hook from disconnecting. Soft loop - protects your PWC's gel coat finish. Winch not included.

£13.50

Boatworld 8m Boat Ratchet Trailer Strap

XC350. Perfect for securing your boat to the trailer. Comes in 2 halves c/w hook ends to locate onto your trailer chassis. The strap is 50mm wide x 8m long. 8800lbs / 4000kgs breaking strain.

£11.95

KEEP YOUR TUBE ROPE OUT OF THE WATER!

Towables

Airhead Griffin 2 & 3

Take flight on our newest winged tube! The griffin is a legendary creature with the body of an agile lion and the head and wings of a soaring eagle. It's no surprise that this aerodynamic creation can manoeuvre with agility and speed. Swing and swoop about the seas on the Griffin's wings! Riders will roll up on the edges through turns and with shifts in weight. The wings also make them a joy to tow, as they slide effortlessly across wakes. Boarding straps in the back to make it easy to climb on board from the water. The deluxe, double-webbing handles have EVA knuckle guards for extra comfort. Oversized EVA pads are strategically located to protect rider's knees. The durable 30-gauge RF welded PVC bladder is completely wrapped in double-stitched 840-denier nylon. A heavy-duty Kwik-Connect provides easy hook-ups and the Speed Safety Valve makes it easy and fast to deflate and inflate.

£12.95

Boatworld 2 Rider Tube Rope

XC1237. 50ft long 16 strand PP rope. 2,375lb strength rope. Rope float. Looped either end for quick connection. Red/Yellow.

£14.95

Airhead Bungee Tube Rope Extension

AHTRB-3. Add extra zing, excitement and comfort to your tubing! Attach AIRHEAD's Bungee Tube Rope Extension between your boat's tow point and the tube tow rope. You'll enjoy brief surges of speed as the bungee stretches and contracts.

It reduces wear and tear on tubes and riders too, by absorbing sudden jerks from slack in the line. This 16 strand, 9/16 inch x 3 foot polypropylene rope stretches to 5 feet. The 4,150 pound tensile strength is perfect for up to 4 rider tubes.

£22.95

Boatworld 4 Rider Tube Rope

XC1238. 50ft long. 4,150lb strength rope. Rope float. Comes with Boatworld rope tidy.

£22.95

Airhead Bungee Tube Tow Rope

AHTRB-50. Add a little extra zing and excitement to your tubing! This 9/16 inch x 50 ft. tube rope has a 3/8 inch diameter bungee cord spliced inside. It's rated at 4,150 pounds tensile strength, conforming to WSA recommendations for 1 - 4 rider tubes. You'll enjoy brief surges of speed as the bungee stretches and contracts. It reduces wear and tear on tubes and riders too, by absorbing sudden jerks from slack in the line. A Rope Keeper is included for convenient storage.

£47.95

Airhead Kwik-Connect

AHKC-1 Conveniently attach and detach tube tow ropes to towables with AIRHEAD's Kwik-Connect. There's no need to thread 60 feet of rope through the tow strap each time you connect or disconnect a tow rope. The high impact Kwik-Connect has a 1 inch diameter hole to accept up to 6,000 lb. break strength tube ropes. Recommended for 1 to 4 rider towables that are not equipped with Kwik-Connects.

£14.95

SELF CENTERING

Boatworld Heavy Duty Tow Bridle

XC167-1. Wide enough to go around any outboard at 12 ft/122 cm long. 2 Ultra strong stainless steel karabiner style clips to attach to boat and tow line. Features a self centering pulley reducing stress of the boat's (D-) rings and transom. Rope break strength: 2400 lbs/1090 kg. Float to keep rope away from the propeller & rope tidy. Red.

£27.95

Boatworld Tow Bridle

BTB. If your boat isn't equipped with a pylon or ski eye and you enjoy watersports activities, you need a tow harness. It creates a tow attachment point at the center of your boat, behind your outboard or stern drive. This 1,500 pound tensile strength tow harness is perfect for pulling a skier, wake boarder, knee boarder, or 1 rider tubes. Simply clip it onto your boat with the hooks provided, and attach your ski or tube rope. A 6" float keeps the attachment loop floating on top, away from your propeller. 12 feet long to fit larger boats and pontoons. Snap hook opening width 7/16". Yellow / Red.

£12.95

Boatworld Tow Bridle Rope

TB-R. The Boatworld ski tow harness is a great addition to any boat which doesn't have a tow pylon, centre towing hook or tower. The high-impact moulded plastic float/pulley system allows for easy attachment of ski ropes, wakeboard ropes and tube ropes. By using a centralised point it equalises the central point for the skier, tuber, wakeboarder etc. to make it easier for them but also to cut down the stain on your boat. The red design helps it to stand out on your boat and in the water and with the vinyl float this will keep it out of the way of the propeller. Rope attachment tool for boats without a tow pylon, centre towing hook or tower (older I/Os, outboards, and pontoon boats). Designed to equalize the pull of a skier, tuber, wakeboarder, etc. 8ft (2.4m) line with float and pulley with stainless steel axle. 16 strand, 960 filaments, 16 mm diameter. Tensile strength - 1750 lbs. Corrosion-resistant snap hooks.

£16.95

Airhead Tow Demon Harness 8ft Cable

AHTH-6. Airhead's Tow Demons are higher strength versions of a classic and very popular water sports tow harness. The high-impact moulded plastic float / pulley system allows for easy attachment of ski ropes, wakeboard ropes and tube ropes. Connect Tow Demon quickly and easily to boats with the 2 large corrosion-resistant snap hooks. Available in vinyl-jacketed steel cable and floating rope versions. Recommended for recreational water skiing, wakeboarding, kneeboarding and towing 1 rider tubes.

£36.95

ZUP RopeZUP Tow Assist with Rope

ZUP-RTA. The Rope ZUP Tow Assist ball does just that...keeps the tow rope UP. Can be used on towables with capacities up to 4-riders. By keeping the tow rope out of the water, you reduce drag and increase gas mileage on the boat... That's whatZUP! Reduced drag also enhances tube performance on turns and slides. The oval shape of the Rope ZUP allows the ball to rotate freely in the water and absorb shock on the rope. Dimensions 36" x 26". 60ft rope included. Rope Diameter 1/2". Rope Break Strength 4800 lbs.

£74.95

KEEP YOUR TUBE ROPE OUT OF THE WATER!

Boatworld Pump

XC11-bp. Lightweight robust plastic pump. Inflates and deflates. High volume 2 litre per stroke. Bilge capacity. Comes with 4 interchangeable nozzles. Comfy handle. Continuous stream of output on both up and down strokes. Designed to inflate/deflate towables, toys, airbeds etc. Approx 18" x 8" in size
£17.95

Airhead 12v Air Pump

AHP-12H. This high-volume 12 volt portable air pump inflates and deflates towables, boats, pools, mattresses and beach toys quickly. The universal valve fittings fit many popular valves including Boston valves and stem valves. The power plug is equipped with a 10ft. long power cord. Volume is 380 litres/minute. Maximum pressure: 0.7 psi. Draws 11.8 amps / 145 watts. We recommend "topping off" large towables inflated with this pump with a few strokes of Boatworld's Double Action Hand Pump or Foot Bellows Pump.
£19.95

Boatworld Inflatable Boat Stirrup Pump

AQBSP. Blowing up boats and SUPs to 20 PSI is a cinch. The pump incorporates a patented Fast System Switch Valve, which allows you to switch from high capacity double action to high pressure single action i.e. double action means air is being pumped out on both the up and down strokes, single action means only on the down stroke. Clever stuff!
£29.95

#1 VALUE 12V PUMP

Boatworld 12V High Volume Electric Air Pump

HB-501A. Produces 3 times the pressure of other 12-volt air pumps. Gets towables, boats and rafts nice and firm for peak performance. A removable pressure release valve limits the output to 1.4 psi, the perfect inflation pressure for towables. Heavy duty 21" hose reinforced with PVC coils. Hook it up to your car, truck or boat battery with the alligator clips connected to a 10-foot power cord as well as having an adaptor for DC 12v Charger. 4 Adapters including Halkey Roberts Valves. Alligator Clip & DC 12V Car Charger. Volume 410 litres/min. Maximum pressure 2.5 psi. Draws 28 amps / 340 watts.
£69.95

PUMP UP TO 3 BOARDS!!

Outdoor Master Shark II Electric Pump

OUTMS. Get out on the water in no time with the Shark II pump from outdoor master. The Outdoor Master Shark II can inflate 3 stand up paddleboards without having to stop, all the way up to 20 psi. Inflating each SUP board within 5-10 minutes thanks to its state-of-the-art engineering whilst remaining light and compact. This high pressure electric pump features an automatic shut-off so that when you have reached your desired PSI the pump will switch off all by itself. But the features don't stop there, the Shark II has hands free deflation meaning you can get your board packed away in just 3 minutes. The unique active cooling design means that there is no danger of an overheat and prolongs the life of the pump. This is a versatile and high quality electric pump. Able to be used on almost any SUP board, boat, kayak or air mattress! Even coming with a complete nozzle set for compatibility. Pressure range: 0.5-20 psi. Junior Waterskis & Trainers

Ez Ski Trainer & Big Ez Ski Trainer

Ez ski trainer puts the fun back into teaching young skiers! Heading for the lake but dreading the task of teaching another young skier? Airhead Ez Ski to the rescue! Ez Ski is a revolutionary inflatable water ski hybrid with integrated wooden water ski trainers and ski bindings. Ez Ski is engineered for stability while towing (10 mph maximum), so your child will feel very secure. Ez Ski is the ultimate confidence builder, taking the tears, fear and frustration out of teaching new young skiers and replacing it with safety and fun! Your child will enjoy immediate success on the Ez Ski. No more fighting with diving water skis, ski skimmers, bindings, boat wakes or ropes! Children board the Ez Ski right from the swim step or stern of your boat, no swimming required. Children sit comfortably on the inflated seat for start-ups until they're ready to stand up and ski at their own pace. While your children have the time of their lives on Ez Ski, they'll actually be learning to be comfortable with the speed and sensation of water skiing and watersports in general. This awesome trainer teaches basic skiing fundamentals including proper stance, handle position, balance and weight transfer for turning. Patented.

O'Brien Platform Trainer

2211148. Thousands of kids learned to ski on platform-style skis back in the 50's, 60's, and 70's. Well, what worked so well back then still works great today! When it comes to getting a little skier started right there's no substitute for surface area and the O'Brien Platform Trainers have surface area in abundance. Constructed of eco-friendly bamboo, the Platform Trainers are the whole training package, complete with a trainer rope and handle for the little skier to hold onto, and another rope for the observer in the boat. Your kids will be skiing in no time on the O'Brien Platform Trainers! Length - 46". 117cm. Trainer rope with handle. Weight range up to 85lbs. 38.5kg. Bamboo Construction. Easy grip handle.

£220

Full Throttle Trainer Water Skis

FTTS. These wood trainers are the answer for teaching small children to ski the easy way! Detachable stabilizing ropes at the tip and tail that securely hold the skis the proper distance apart to ensure control and confidence when learning. As the child progresses, they can be removed providing more freedom. Double handle rope provides added safety for beginners. The child holds one end of the rope while the parent holds the opposite handle while in the boat. If the child falls, simply let go of the handle to prevent any injuries. This gives the parent more control over a safe ski lesson for beginners. For children ages 3 to 6 and up to 80 lbs. Length: 116.8 cm / 46".

£110

O'Brien All-Star Trainers

2211140. When it's time to teach the kids to ski, the All-Star Trainers are the ultimate training tool! When you get a pair of All-Star Trainers, you are really getting a training system. These skis come with a stabilizer/trainer bar that prevents the skis from doing the "splits" and keeps them level. They also come with two ropes as part of the package; a short training rope and handle for the skier to hold that connects to the stabilizer bar at the front of the skis and a longer rope and handle to be held by an experienced observer in the boat. With this system, the observer can release the skier if they fall, taking the pressure off the kid. This system makes it incredibly easy to get them up and skiing with minimal drama. The All-Stars are the perfect system for making your kids into waterskiers! Length - 46". Stabilizer Bar. Trainer Rope with Handle. Weight range up to 85 lbs.

£199.99

Full Throttle Junior Water Skis

330100-400-999-22. Full Throttle shaped junior ski features the wider fore-body for easy deep water starts, removable stabiliser bar for ease of pull and dual-density bindings for comfort. Dual tunnels make these skis easy to ride in rough water and stable in calm water. It is easy to see why these skis are the best choice for the junior skier. Intended for skiers up to 64kg. Removable Stabiliser Bar. Length: 54" (137cm).

£175

O'Brien Jr Vortex including O'Brien X7 Adjustable Binding

2211134. It may seem like an oxymoron, but the Jr. Vortex Combos are the compact version of the "Big Daddy" adult Vortex combos. These skis are perfect for getting pre-teen to early teenage skiers up and out of the water and skiing like legends! They work great for lighter adults too. The 54" Jr. Vortex offers the extra surface area that works so well on the adult Vortex, but in a smaller, more maneuverable size for younger and lighter skiers. Length- 54"/ 137cm. Fin- Plastic. Binding- Jr X7 Adj Binding. Stabilizing bar. Weight range up to 140 lbs. Foot size- kids 1.5 UK - mens 6.5 UK.

£285

O'Brien Celebrity including O'Brien X7 Binding & Free Boatworld Case

The O'Brien Celebrities, make almost anyone, from newbies to experts, feel right at home on the water! With the easy adjustability and great fit of the X-7 bindings, you'll be skiing in no time. The heightened performance from the ski's side-cut bevel paired with the smooth, predictable control from its dual tunnel make the Celebrities the most versatile pair of combo skis in our line. Lots of surface area provides plenty of lift for exceptionally easy deep-water starts and a flatter, faster rocker line minimizes drag as well as fatigue.

Fin - plastic. Binding - X7 adj. Foot size - Mens 4.5 - Mens 13. Length - 64" / 163cm - 2211114. Length 68" / 172cm - 2211120

£229

64"

68"

O'Brien Vortex including O'Brien X7 Binding & Free Boatworld Case

These wide-body skis are designed for super easy deep-water starts and big, carving turns, at minimal effort. The extra surface area reduces drag and provides a huge amount of lift to get bigger skiers up on plane with ease. The large surface area also allows for skiing at a slower, more comfortable boat speed. A side benefit is it takes less horsepower to get Vortex skiers up, and these make an easy way to teach deep-water slalom starts.

Length - 65.5" / 166cm. Fin - plastic. Binding - X7 adj. Foot size - Mens 4.5 - Mens 13. Red - 2211130. Blue - 2211132.

Features a self centering pulley reducing stress of the boat's (D-) rings and transom. Rope break strength: 2400 lbs/1090 kg. Float to keep rope away from the propeller & rope tidy. Red.

£27.95

Airhead Dyneema Flat Line Wakeboard Rope and Handle Green

AHWR-4. Airhead Dyneema Flat Line wakeboard rope is Airheads top of the range rope for serious wakeboarders. It provides zero stretch for the crisp instantaneous response that expert wakeboard riders demand. The Thermal-coated Dyneema is flat and is virtually impossible to tangle. It floats and has a 2,000 lb. break strength. It's 70 foot long with a 5-foot handle bridle and 4 section mainline (5,50,5,5,5). The 15 inch wide EVA grip provides a secure hold. A Rope Keeper is included for convenient storage.

£109.95

Boatworld Wakeboard Trick Handle with 4 Section Rope

BWH3. The 12" double-density handle is machined to provide a superior grip for optimum performance. High strength aluminium core, 4" finger protectors, handle floats in the water for easy start-ups. 6" mini torque aluminium trick handle which provides extra leverage and pull for spins and inverted tricks. The bridle is fully encased in flexible vinyl for protection against abrasion and wear. The low stretch 16-strand 30-filament rope has 4 sections with take-off loops (5, 35, 10, 10, 10ft) for all riding styles. A Rope Tidy is included for tangle-free storage. 65ft length. Rope tidy for easy storage. Rider Ability - Intermediate.

£29.95

Airhead Wakeboard Trick Handle & 4 Section Rope

AHWR-1. This Airhead Wakeboard Trick Handle & 4 Section low stretch rope provides professional wakeboard rope quality at half the price. The 15" double-density EVA PHAT GRIP handle is machined to provide a superior grip for optimum performance. It has a high strength aluminum core, 4" finger protectors and foam floats. The 6" TPR covered aluminum handle provides extra leverage and pull for spins and inverted tricks. The bridle is fully encased in flexible vinyl for protection against abrasion and wear. The low stretch 16-strand 30-filament rope has 4 sections with take-off loops (5, 35, 10, 10, 10) for all riding styles. A Rope Keeper is included for tangle-free storage.

£49.95

Airhead Dyneema Thermal Flat Line Wakeboard Rope

AHWR-8. Thermal Wakeboard Rope AIRHEAD's Dyneema Thermal wakeboard rope provides zero stretch for the crisp instantaneous response that expert wakeboard riders demand. The Thermal-coated Dyneema line is stiff and rigid, resists kinking and twisting, floats and boasts a 2,000 lb. break strength. It's 70 foot long with a 5 foot handle bridle and 4 sections mainline (5,50,5,5,5). Equipped with 15 inch wide EVA grip and full-length PVC tubing for added durability. A Rope Keeper is included for tangle-free storage. Break Strength: 2,000 lb. Size 1: 70 ft. long with 5 ft. handle bridle and 4 section mainline.

£89.95

Airhead Tow Demon Harness 8ft Cable

AHTH-6. Airhead's Tow Demons are higher strength versions of a classic and very popular water sports tow harness. The high-impact moulded plastic float / pulley system allows for easy attachment of ski ropes, wakeboard ropes and tube ropes. Connect Tow Demon quickly and easily to boats with the 2 large corrosion-resistant snap hooks. Available in vinyl-jacketed steel cable and floating rope versions. Recommended for recreational water skiing, wakeboarding, kneeboarding and towing 1 rider tubes.

...you'll find the Enforcer there too!

Boatworld Tow Bridle Rope

TB-R. The Boatworld ski tow harness is a great addition to any boat which doesn't have a tow pylon, centre towing hook or tower. The high-impact moulded plastic float/pulley system allows for easy attachment of ski ropes, wakeboard ropes and tube ropes. By using a centralised point it equalises the central point for the skier, tuber, wakeboarder etc. to make it easier for them but also to cut down the strain on your boat. The red design helps it to stand out on your boat and in the water and with the vinyl float this will keep it out of the way of the propeller. Rope attachment tool for boats without a tow pylon, centre towing hook or tower (older I/Os, outboards, and pontoon boats). Designed to equalize the pull of a skier, tuber, wakeboarder, etc. 8ft (2.4m) line with float and pulley with stainless steel axle. 16 strand, 960 filaments, 16 mm diameter. Tensile strength - 1750 lbs. Corrosion-resistant snap hooks.

O'Brien Voodoo with integrated aquatic hook

2151208. One ride and the Voodoo will have you under its spell... With performance edges and a low-profile cross section, the Voodoo combines hard-charging edging and a forgiving ride. Quad moulded fins at each corner of the hull provide extra tracking control and the curved underside makes edge transitions quick and smooth. The 3/4" thick pad provides plush comfort for your knees and the padded strap locks you in for maximum control. Integrated hook. 3/4" EVA pad.

Padded adjustable strap. Variable bevelled edge. Quad moulded fins. O'Brien graphics are updated periodically, please check current graphic with us.

£169.95

O'Brien Radica with integrated aquatic hook

2151210. The Radica is our response to demands for exceptional performance and value. Taking cues from our already industry-leading kneeboard designs, we've blended wakeboard and water-ski design elements into the Radica to bring levels of performance previously unheard of at this price. Wakeboard styled quad, cupped moulded fins make edging and carving a breeze, while allowing release for spin-type tricks. The water-ski influenced edge bevel helps the board sit low in the water for stability and allows quick edge to edge transitions when carving. From the built-in hook that makes getting up easy, to the super-stable ride that beginner & intermediate riders will love - you just might say it's radical! Integrated hook. Quad moulded fins. EVA pad. Variable edge bevel. O'Brien graphics are updated periodically, please check current graphic with us.

£170

ZUP Kneeboard Blue with integrated aquatic hook

ZUP-75816. Introducing the NEW Kneeboard from ZUP featuring quickstart handles. Riders can say goodbye to the old way of doing things, no more struggling to find how or where to hold on, no more slipping off. Now riders can get on their knees with ease and grab the tow rope when ready! Featuring quad moulded fins, our Handle It kneeboard edges and carves like no other board of its kind! With a unique blend of both waterski and wakeboard features, this kneeboard utilises bevelled edge technology to sit lower in the water, providing added stability and quick edge-to-edge transitions. New integrated handles for easy starts - Quickstart Handles. 3/4" EVA Foam Pad. Integrated Tow Hook. Blue w/ Lime Pad. Adjustable, Padded Strap. Vibrant colours for added safety and fun. Works best with the DoubleZUP handle!

£199.95

O'Brien Ricochet with integrated aquatic hook

2151204. The Ricochet is the perfect transition for anyone stepping up from a traditional plastic beginner kneeboard to a higher performance fiberglass board. Compression molded construction coupled with a molded-in hook makes learning and progressing a breeze. Built with the same quality materials as our flagship fiberglass kneeboards, the Ricochet brings high performance at a value price. With a larger template shape, variable beveled edges, twin tip and a pronounced V-Hull, this remarkable board design makes it very manoeuvrable, very forgiving and easy to ride. The Ricochet comes with a molded flex pad and a 3" padded strap making your ride comfortable and secure. The Ricochet is the perfect step into high-performance kneeboarding.

£400

O'Brien Sozo with Free Boatworld Case

2161228. The O'Brien Sozo is ridden by nearly ALL the top kneeboarders in the world! It is truly in a class of its' own. The Sozo is explosive, lightweight and unbelievably manoeuvrable. The clean, fast template comfortably initiates turns, edges up the wake with ease and is extremely forgiving. It features O'Brien's Fusion Core (wood stringers within a foam core), which is CNC machined to exact specifications, giving the board a liveliness and lightness like no other. Its' unique Sandwich Construction insures the optimum flex pattern, storing energy and releasing it perfectly when you punch off the wake. The Sozo pad is state-of-the-art as well. This extraordinary pad softens landings like no pad ever ridden. It is extremely soft, supportive and can be adjusted perfectly on the board to the riders preferred position. All the pros agree, the Sozo kneeboard is the best board on the market, hands down. The Sozo Park Edition featuring an Impact Base bottom is now available.

£690

O'Brien Enforcer with Free Boatworld Case

2181206. Built off our wildly successful Sozo, the Enforcer shares many of its qualities but has been configured as a no-compromise all-terrain beast. Featuring our signature Impact Base, Durarail sidewalls, and snappy Fusion Core - the Enforcer can take anything you can throw at it and come back for more. The more parallel edge profile and squared off tip and tail are dialed in for pressing rails, hitting kickers, and overall incredible performance on the water. The snappy, flexible deck softens landings, helps initiate turns, and lets the tips flex - giving you maximum pressability on the rails.

£690

ZUP Multi-Carry Tote Bag ZUP-MCZTB. The Multi-Carry Tote Bag offers the perfect blend of comfort, convenience and style. With three convenient ways to carry your Boards, extremely durable construction and sweet, ZUP® coloring, this bag is sure to be a welcome addition on any water sports outing! With this Multi-Carry Tote Bag, you can bring either ZUP Board you prefer...plus toss in your DoubleZUP Handle and Rope. Designed for use with YouGotThis 2.0, DoMore, and YouGo Boards. Straps on the inside of the bag allow it to be adjusted for a firm fit on any ZUP Board. Carry on Shoulder, by Hand, or as Backpack. Breathable material allows your boards to air dry even when put up wet. Weight: 1.13 kg. Dimensions: 59"L x 28"W x 6"H. Polyester Blend.

£64.95

Zup Do More Large Fin Set ZUP-4465. For those looking to add a little more "bite" to their DoMore Board, this large fin is for you. The set includes 3 fins so you can easily switch out the fin configuration on your DoMore Board. These fins are specifically designed to create a better grip and add stability to your DoMore Board. The height provides more control while the longer base will allow you to make more powerful turns. Use them in combination with the stock smaller fins to create your perfect setup.

£30

DoubleZUP Tow Handle & Rope! XC1143. The next generation of the DoubleZUP Handle. Designed to be used with any ZUP Board, this is more than your ordinary tow rope. When starting out, this handle takes all the strain out of the ride by connecting directly to the tow hook. If riders want to change positions or just need

a relaxing break, the DoubleZUP makes it easy and safe to reattach the tow rope to the ZUP Board. Most importantly, the double handle system keeps fingers away from any pinch point when attaching and detaching from tow hook.

£99.95

#1 WAKEBOARD DEAL!

O'Brien Valhalla with O'Brien Access Bindings & Free Boatworld Padded Case

143 cm. 2200092. One of the most reliable and forgiving shapes on the market, the Valhalla is perfect for beginner and intermediate riders who rely on consistent, predictable performance to improve their riding. With that being said, some of the best riders in the world, including David O'Caomh, rave about the Valhalla and have made it their go-to shape. Its Feather Core, tapered thickness profile, and molded fins give the Valhalla tons of control from edge to edge; making it an ultra-reliable board. Paired with a Progressive Rocker and Delta Base, the Valhalla generates a smooth, controlled pop off the wake; allowing the rider to maintain control in the air and build confidence in their riding.

O'BRIEN ACCESS BINDINGS Bindings Open Toe: Open toe design allows greater range of fit. Dual Lace Zones: Pinpoint fit adjustment. TPU Rear Cuff Flex Panel. Strobel Lasted React Liner: Lycra lined, moulded toe and heel for greater comfort, adjustability and control. Integrated J-Bars: Eliminate heel lift within the binding for greater control and helps support the ankle. 3-D Contoured EVA Footbed. Available sizes: UK 6-10 & 9-13.

WakeSurfing

O'Brien Royale Wakesurfer

2191242. Size: 163cm / 6'3", 54.6cm / 21.5". Whether you want a mellow cruise behind the boat – or you are looking to get after it, the Royale delivers! At 63" & over 19.6 litres of volume, the Royale is big enough for almost anyone – but also responsive enough for serious shredding. Ideal for those with a smaller wake or bigger riders in need of more volume, the Royale provides the perfect blend of a forgiving ride with a surprising level of agility and freedom on the wave. Constructed with new Surf CAP construction, the Royale is light for its size and more durable than you would expect. Rider Profile: beginner to advanced surfers in search of a larger board construction: Surf Cap – An extremely lightweight foam core wrapped in a durable polymer shell. Super light and extra strong, this shell makes the board resistance to dings to keep you shredding and eliminate the stressing. Volume - 19.63L. Weight range - 72kgs and above / 160LBS. Fin Merc 3.0.

£459

Airhead Charge Wakesurf Board

Lifejackets & Buoyancy Aids

Full Throttle Teens Nylon Life Vest

112200-505-010-22. Great vest for youths who are transitioning between kids vests and adults vests. Suitable for chest sizes 28-32in and over 40kg in weight this is a great vest for the teenagers in your life to feel comfortable but more importantly safe. There is always a temptation to get a vest which they'll 'grow into' but it is really important to get them a life vest that will not ride over their heads if they hit the water. The Full Throttle Teen Life Vest has 3 heavy-duty adjustable buckles to ensure a great fit which makes it great for skiing, boating, fishing, stand up paddleboarding and many other on the water activities. Suitable for Teens and small adults.

£29.95
